

**Dimock 2<sup>nd</sup> week Sampling Results: Roll-out Schedule (week of 04/02/12)**

<u>Activity</u>	<u>Timeframe</u>	<u>Lead</u>
-----------------	------------------	-------------

1) Notify citizen counsel	Tuesday – early PM	Humane Zia
---------------------------	--------------------	------------

**[Purpose: to advise counsel for litigants that we intend to contact some of his clients starting later in day to schedule appointments for delivery of results; and his other clients will be contacted in subsequent weeks. Anticipate he will contact his clients and urge cooperation with scheduling as was observed during roll-out of sampling.]**

2) Call homes – to schedule delivery of individual data packages	Tuesday- PM/Wed-AM	Community Involvement Coordinators (CICs)
--	--------------------	---

2A) Notify PADEP – Deputy Secretary Perry	Tuesday – PM	Ron Borsellino
---	--------------	----------------

**[Purpose: strictly intended to schedule time when homeowner will be at home and available to accept delivery of results. We will not be discussing results during this call. We will also give PADEP a heads-up that we are beginning to schedule appointments]**

3) Deliver data packages to homes	Wed –PM/Thurs –AM	CICs
-----------------------------------	-------------------	------

**[Purpose: to actually deliver data packages to homeowners per scheduled established during above phone call. Delivery by CIC. Discussion will be limited to prior approved messages for the specific situation (water/no water and more sampling /no further sampling). Provides homeowner a chance to review data and then decide whether they want a subsequent meeting to discuss data results. We will call at subsequent date to schedule follow-up discussion as desired by homeowner.]**
